Message from PCL President Chris Cheshire

Fellow Lions,

The PCL would like to thank the San Francisco Coordinating Council for hosting the annual joint Halloween Council meeting. To those who weren't able to join us, we missed you and you missed a great time. Costumes worn included clowns, witches, a tree, lots of "SF Giants," one very large "pesky" squirrel, pirates, royalty, and a gory prince and princess, just to name a few. Clubs from the Peninsula Council group who were able to join us were: Millbrae, Burlingame, Redwood City Sunrise, San Carlos, Foster City, San Mateo, South San Francisco Host, Bay Area Special Olympics, Brisbane, Peninsula Special Interest, and South San Francisco Golden Gate.

In getting into a little more serious side of business, Clubs who are in the process of making plans to host PCL dinner meetings and negotiating the cost of a dinner, it is important to remember that the cost of the meal including room must be \$25.00 or less per person. This was an agreed upon amount set and voted on by PCL members, not the Board. If one exception is made then we're opening the door to other exceptions and then we're in trouble! Another option to the \$25.00 limit is your Club is welcome to subsidize the difference. At some point this might be a topic of discussion and vote at a PCL general meeting, however, until then, it is what it is. Also keep in mind raffle prizes subsidize the Police and Fire Award Banquet. The more prizes you are able to donate to the raffle, at your PCL meeting - the better!

In other PCL news, plans for the Police Officers and Fire Fighters Award Banquet are well underway. Nick Marinaro, Scot Marsters and John Gill will meet with the Fire and Police Chiefs as a group, at their monthly meeting, to discuss the Awards, hand out applications, the application process and application deadlines. We're hoping that these face to face meetings will bring clarification on defining the nominations, the process and the event itself. More information to the Clubs and Club Presidents in regard to their role in the Police and Fire awards will be forthcoming.

A new PCL volunteer, Linda Caviglia of the Redwood City Sunrise Club, will chair Advertising and Sponsorship Procurement for the Police and Fire Awards program book. As a new Lion member, April 2014, she jumped into Lionism with both feet taking on the job as Club Secretary 2014-2015. Linda "always wanted to be a Lion but was never asked" to join! In response to her answer 'never asked to join', is a lesson to all of us in recruiting new members- 'just ask'! We look forward to having Linda as part of our crew. All of you will receive a letter and a phone call/email from Linda asking for your Clubs' support in placing an ad in the program. There are ads that fit clubs budget. Your consideration in placing an ad not only supports the Award Banquet financially but also shows appreciation to the officers and fire fighters who protect our community.

LIONS ETHICS

TO SHOW my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

TO AID my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE careful with my criticism and liberal with my praise. To build up and not destroy.

LIONS OBJECTIVES

TO CREATE and foster a spirit of "GENEROUS CONSIDERATION" among the peoples of the world through a study of the problems of international relationship.

TO PROMOTE the theory and practice of the principles of good government and good citizenship.

TO TAKE an active interest in the civic, social, and moral welfare of the community.

TO UNITE the members in the bonds of friendship and mutual understanding.

TO PROVIDE a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

TO ENCOURAGE efficacy and promote high ethical standards and professions: provided that no club shall hold out as one of its objects financial benefits to its members
