Message from PCL President Chris Cheshire

Lion Presidents, Members, District Governor and Officers:

A very large thank you to the Peninsula Special Interest Lions Club for hosting the February PCL meeting at the Redwood City Elks Lodge, and for the table full of raffle prizes. Their support and your support is always very much appreciated. Among the many Lions in attendance was guest Lee Raney wife of PCL Treasurer Nick Marinaro. I would also like to take this opportunity to thank Lion Eleanor Britter for donating to the PCL a Stinson hat with LCIF pins on it which was auctioned by Lion "Auctioneer" Erik Winkler. Proceeds from the auction were donated to the Police and Fire Fund. The winning bid went to First vice District Governor Macy Mak Chan for \$90.00. We also were very pleased to present a check to the Student Speaker Foundation in the amount of \$500.00.

In regard to the Police and Fire Award Banquet, the deadline date to make your dinner reservation is Friday March 6 and we look forward to having as many of you who can, attend. The number of nominations this year is substantial lower from the few previous years, however, that only means our communities experienced a lot less fires, and/or other misfortunes where police and fire personal were needed! And that's a good thing! Also keep in mind this is the 50 year anniversary of the Police and Fire Awards, and that Club Presidents will be presenting the awards.

Our keynote speaker is Dr. Kirschman a member of the International Association of Chiefs of Police, the Society for the Study of Police and Criminal Psychology, the American Psychological Association, and the International Association of Women in Law Enforcement. Among her many achievements for her distinguished contribution to the practice of police and public safety psychology, she is the recipient of the California Psychological Association's 2014 award. She is the author of the award winning *I Love a Cop: What Police Families Need to Know*, *I Love a Fire Fighter: What the Family Needs to Know*, and lead author of *Counseling Cops: What Clinicians Need to Know* (2013). Her debut novel, *Burying Ben: A Dot Meyerhoff Mystery* (2013) is about police suicide told from the perspective of the psychologist. We are extremely honored to have engaged Dr. Kirschman and look forward to her presentation.

This facility regardless of ability to pay provides children cochlear ear implants and training so they can enter grade school as normal children without special assistance. We would recommend to other Lions Clubs not involved in this Children's Center to consider regular donations to help such as the \$500 donation made last week by the Peninsula Veterans Lions Club.

LIONS ETHICS

TO SHOW my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

TO AID my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE careful with my criticism and liberal with my praise. To build up and not destroy.

LIONS OBJECTIVES

TO CREATE and foster a spirit of "GENEROUS CONSIDERATION" among the peoples of the world through a study of the problems of international relationship.

TO PROMOTE the theory and practice of the principles of good government and good citizenship.

TO TAKE an active interest in the civic, social, and moral welfare of the community.

TO UNITE the members in the bonds of friendship and mutual understanding.

TO PROVIDE a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

TO ENCOURAGE efficacy and promote high ethical standards and professions: provided that no club shall hold out as one of its objects financial benefits to its members
