Message from PCL President Chris Cheshire

Lion Presidents, Members, District Governor and Officers:

Although I was unable to attend the May PCL Meeting, I would like to thank the PCL Board for carrying on without me and the Millbrae Lions Club for hosting the meeting. I understand it was well attended. There is no doubt in my mind, the food was absolutely as wonderful as only they can prepare it, thank you Millbrae.

As this is my last "Presidents Message" of the year I would like to take this opportunity to thank everyone who attended PCL meetings throughout the year when you probably would have rather been doing something else! However your efforts of suiting up, showing up and most importantly sharing information on upcoming events and the sharing of successful and/or maybe not so successful events were and are priceless.

I would also like to take this opportunity to congratulate the two new incoming board members, Lions Maryah Tucker of Bay Area Special Olympics Lions Club as incoming PCL Second Vice President and Lion Greg Redican of Half Moon Bay Lions Club as PCL Secretary. I predict, in going forward into the 2015-16 year with Lion Scot Marsters as incoming PCL President, the new Board Members, along within coming First Vice President John Gill and Treasurer Nick Marinaro, it will be a very good year.

On a more personal note, I would like to thank everyone for allowing me to take this amazing journey, your support, and for graciously overlooking my mistakes. I would not have become involved with PCL or became President without the prodding of my Lion role model, my mentor, and my very dear friend Lion Al Hernandez who gave me the confidence to move from Club President to the PCL Board when given the opportunity.

I look forward to seeing everyone at the June PCL meeting hosted by the Redwood City Sunrise Lions. Enjoy your month.

Respectfully,
Chris Cheshire

As our Club gets ready to end the fiscal 2015-year it has been a very productive and active year for our Menlo Park Live Oak Lions. We have provided over \$60,000 in community giving and we are now beginning our fiscal 2016 budgeting so we will be ready when the New Year begins. Our Sunday Farmers Market continues on track for anticipated income and the farmers seem to be doing ok despite the drought.

Our Club Annual Installation and Awards dinner is scheduled for Saturday, June 13th beginning at 5 pm at the Depot Café, 599 El Camino Real at the Caltrain Station in San Carlos. Lion John Fenstermaker will be the new Club President. With the District Convention just concluded we provide best wishes to DG Elect Macy Mak Chan, 1st VDG Elect Rod Mercardo and 2nd VDG Elect Mario Benavente as they prepare for their new duties leading District 4-C4.

We would also like to recognize PCL President Chris Cheshire and her PCL Officers for their support as our Lions year is close to an end. Their efforts are much appreciated. DG Jack Van Etten and his Cabinet have also been very supportive and have led us through a very productive year.

Our Club has been hosting hospitalized Veterans to the Bay Area Association of Disabled Sailors program every Sunday at noon, In a partnership with BAADS, We are sponsoring a resource fair at Coast Guard Island on May 30, 2015 for the 2015 Valor Games, to over 100 physically disabled Veteran athletes and their families. We will be demonstrating the servo dinghy's that makes adaptive sailing a reality for these heroes. BAADS is now a recognized US Paralympic sponsored club, and we would like to bring our boat and safety infrastructure for use of the children involved with the Bay Area Special Olympics Lions Club, I have opened a dialogue with Lion Amy Fink to help this happen.

We have partnered with Menlo Park Presbyterian Church who has added \$1600 for our female Veterans inpatients, and are continuing our "Make-over Project," for our female Veterans to receive on a needs basis a gift certificate for a make-over at a local beauty salon. This has funded our ongoing project through the end of the year.

We have been able to, with many thanks to other Lions, and their respective clubs for the used household goods donated, to increase our "move-in" kits to our formerly homeless Veterans from 5 to 6 kits, There has been a big push from Washington to house up to 50 Veterans per month until the end of this year and any used kitchen or household items would be greatly appreciated. There is storage in Redwood City, and pickups can be arranged. I have a list of needed items.

We have reached out to an incoming student at Menlo Atherton HS, (Elise Kratzer) and are in the process of forming a Leo's club. We will be meeting with a faculty advisor soon.

We are sponsoring two bounce house for one of our community partners, the Menlo Park Homeowners group, for their annual "night out" event, in July. We will have an information table there, to thank them for their generous support of our annual V A hospital Christmas party. They have supported this event with catering, personalized and requested gifts for these Veterans for the last two years. We are very grateful to them, they have helped us raise over \$10,000 for this event.

LIONS ETHICS

TO SHOW my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

TO AID my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE careful with my criticism and liberal with my praise. To build up and not destroy.

LIONS OBJECTIVES

TO CREATE and foster a spirit of "GENEROUS CONSIDERATION" among the peoples of the world through a study of the problems of international relationship.

TO PROMOTE the theory and practice of the principles of good government and good citizenship.

TO TAKE an active interest in the civic, social, and moral welfare of the community.

TO UNITE the members in the bonds of friendship and mutual understanding.

TO PROVIDE a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

TO ENCOURAGE efficacy and promote high ethical standards and professions: provided that no club shall hold out as one of its objects financial benefits to its members
