Lion Presidents, Members, District Governor and Cabinet Officers,

“Aloha” is used to say both Hello and Goodbye, and it seems like an appropriate greeting at this time of year as we transition from the 2014-2015 Lions year to the 2015-2016 Lions year. I want to welcome all the incoming Club Presidents & the new PCL Board. As Club Presidents, you are your clubs representative on the Peninsula Council of Lions. I hope each of you take advantage of the opportunities to attend PCL meetings and interact with the Presidents of all the other clubs on the Peninsula. Each and every club is unique and has a wealth of information, ideas and skills to share. To me part of attending the PCL meetings is teaching what is special about your club to the other Club Presidents, learning from each other ideas about how to make your club even better and building lasting friendships along the way. I still keep in touch with many Lion friends who were Presidents of their clubs at the same time as I was. In fact every member of any club is always welcome at the PCL meetings. Please come and support your Club President.

The PCL Board is comprised of former Presidents of Lions Clubs, whose responsibilities include running the meetings and coordinating the Police and Fire Awards. In the past year several changes have been made to make the Police and Fire Awards more inclusive of the PCL Board members, the PCL Clubs and their Presidents. I would like to, with your help continue this new tradition of involving everyone more. Also this year, we will be working closer with the San Francisco Coordinating Council of Lions as we plan to have two joint meetings, our usual joint Halloween meeting and this year a second one in May following the District Convention.

In keeping with this year’s Lions Clubs International Convention being held in Hawaii, we are planning the PCL Installation with a Hawaiian theme. I would like to encourage everyone, but especially the Club Presidents to come to this years PCL Installation to be held August 2nd starting at 6pm at Dominic’s at Oyster Point in South San Francisco.

**Message Continued From Page 1**

Club Presidents; if you are unable to attend please send a member from your club to represent you. This is a perfect opportunity to have your 1st or 2nd Vice President learn more about what her or his responsibilities will be as they move up the leadership ladder.

I am looking forward to a fun and exciting year where we “Work Hard, Play Hard and Give Back”

Aloha,  
Lion Scot Marsters

June PCL Meeting Hosted By Redwood City Sunrise Lions

June PCL Meeting Continued from Page 7

## LIONS ETHICS

**TO SHOW** my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK** success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

**WHENEVER** a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

**TO HOLD** friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.

**ALWAYS** bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

**TO AID** my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE** careful with my criticism and liberal with my praise. To build up and not destroy.

## LIONS OBJECTIVES

**TO CREATE** and foster a spirit of "GENEROUS CONSIDERATION" among the peoples of the world through a study of the problems of international relationship.

**TO PROMOTE** the theory and practice of the principles of good government and good citizenship.

**TO TAKE** an active interest in the civic, social, and moral welfare of the community.

**TO UNITE** the members in the bonds of friendship and mutual understanding.

**TO PROVIDE** a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

**TO ENCOURAGE** efficacy and promote high ethical standards and professions: provided that no club shall hold out as one of its objects financial benefits to its members
