

August 14, 2019

Hello, District 4-C4 Lions,

Your district has protocols in place for events that are placed on the district's weekly communication "The Thread". We understand there will be simultaneous events for our 53 clubs and 1,533 members to choose from. We are family who collaborate and are friends. We enjoy face to face communication.

Contact Us using Lions4Service@gmail.com to publicize your Club event and DistrictEvents@lions4c4.org for District event; Our job is to support you and share your events to the district, clubs, and fellow lions.

1. Lions4Service@gmail.com Email Lion Club events to Lions4Service@gmail.com for placement on the weekly Calendar of Events. We communicate face-to-face, social media, the web, and at events. We are friends who make up our Lion family and we like to know what is happening throughout our district.
2. For all district events, that are ***not*** club events, send event to DistrictEvents@lions4c4.org. This includes district wide trainings, council meetings, convention, and district wide events. The District Governor and the Cabinet Secretary work closely together and need to know about upcoming events before they are distributed through the Thread to our respected Lion members. The Cabinet Secretary will send the district flyers to the thread for distribution.

Together we will continue to increase the collaboration and communication of our family, so that we are informed and engaged. We're here to help you serve our local and world community.

Yours in service,

Lion Alison Wilson
Cabinet Secretary
(415) 529-8017

Margaret K. Lee
Asst Secretary
(415) 203-0116
